THIS IS THAT

Knowing that
WORK is what we have to do,
To Do That Du
That is r
&.

We are adjusting to life, trying to revel in the everyday,
with the assurance that Style matters,
Might.

Or put 2 & 3 together
Might B.E.

To the Floor, 4
Not to Accuse,
Not to Persecute,
But Side

Good God!
Deletion has never existed
Either. Blimey.
Ever.

What if technology would have been subject to
an Hypocratic oath?

Do
Not to accuse
Do to do

Within the Context of NO Context
This existence translates as a lethal experience defined by its
polarising incoherence
Or art thou merely suffering from placid assumptions
underlying this and that Contemporary Realism^o

Cheer iO
Triumphalist Global Corporatism^o
Does not Do
But is

Whilst Market Fundamentalists
Changed our redistribution by their **Risks**
Ultimately they govern a society that seems to believe commerce
= virtue.

Do not,
Side.

Not to persecute,
yes.
Quietly ringing in those tchatcha Changes.
To do &
side.
Not to.

What.
What me. Not. What men watch.
